Dear Parents and Carers

Wednesday 5th December 2012.

Did you know ... just registering your child for Free School Meals means that the school gets extra money?

Register now to make sure we don't miss out

The Government is giving money to schools to help children from lower income families do their very best. This funding is called a 'Pupil Premium'.

For every child registered, West Melton Primary School gets £900 this year.

If you are registered for Free School Meals you could also get help with costs of extra curricular activities through the 'Go for It' Scheme.

Please register before Christmas to make sure your child and others in their class don't miss out in the next financial year.

How does it work?

1. First, check if you qualify - it is not just if you are unemployed, so please look at the list on the next page.
2. Registering is really quick and easy - if you think you qualify, contact Mrs. Haddrell in school who will help you to register.
3. If you want your child to have a free, healthy meal at lunchtime that's great - they will get the free meal (saving you more than £350 a year), extra benefits and the school gets £900 extra.
4. If you don't want your child to have the school meals they can continue as normal - as long as you qualify and are registered, the school still gets £900 extra.
