

**Year 2 Spring Term 1 Parents Narrative**

**It's a Bug's Life**

	<p><b>As geographers we will...</b> learn about the some human and natural features of our local environment. We will also learn about the climate of different parts of the world and how that affects the animals and plants that live there.</p>
<p><b>As readers we will...</b> continue to learn Phonics skills through Read Write Inc and real reading. We will enjoy some stories about bugs and read some diaries entries that will make us smile! We will work hard with our comprehension skills.</p>	<p><b>As mathematicians we will...</b> continue to learn about the four operations and solve problems with them. We will work hard to use pictures to help us spolve more difficult calculations. We will learn how to find fractions of numbers and deepen our learning around shape.</p>
<p><b>As scientists we will...</b> learn about the differences between living, non-living and things that have never been alive. We will learn about some animals and plants that live around us and the life cycles of some of those animals and plants.</p>	<p><b>We will celebrate our learning by ...</b> Making sure that our work is well presented so that we can display some of it. Our work will also be on the website, shared on Class Dojo. We will also be presenting some of our work in an end of term Parents event too.</p>
<p><b>As writers we will ...</b> Write our own diary entries after looking at some examples. We will be writing reports about different mini-beasts and using the correct features of a report. We will be working really hard to remember our punctuation and spelling patterns.</p>	<p><b>As Responsible Citizens we will...</b> explore what we need to keep us healthy and how we can look after each other. We will think about how to look after the animals and plants that live close to us and what we can do to keep animals and plants safe that are further away.</p>
<p><b>As Artists and Designers we will...</b> learn about the artist Matisse and recreate his 'snail' art work We will have a go at designing a 'bug hotel' and make some 3d models of bugs!</p>	<p><b>As Enterprising Learners we will...</b> think about how we be using our research ,communication and production skills to design and make and 'bug hotels' that we will be selling to parents, learning about cost of materials and making profits too.</p>
