

Year 3 Summer Term B Parents Narrative

	<p>As Geographers we will... Learn about the features of coastal towns and Look at safety at the coast, focusing on the work of the RNLI.</p>
<p style="text-align: center;">Seaside Rescue!</p>	<p>As Historians we will... Learn about Grace Darling and her achievements. We will investigate similarities and differences between seaside holidays past and present. We will also cover a short topic about Ancient Greece using our skills as historians to research and collect evidence about the past.</p>
	<p>As Writers we will ... Learn about adventure writing—Adventures at Sandy Cove. We will engage in Story writing, bringing together our learning in Y3. We will use description, action and dialogue to learn using Pie Corbett 'talk for write' strategies to learn a structure and a variety of vocabulary to use in our writing. We will use conjunctions, prepositions and complex sentences to up level our writing.</p>
<p>As Readers we will... Continue to learn reading and comprehension strategies through Critical Reading and Read Write Inc. We will use the internet search engines to find out about the RNLI and read fiction and non-fiction linked to the RNLI, seaside safety and coastal areas. We will continue to read out class text ' The Twits 'by Roald Dahl and 'Fing' by our class author, David Walliams. We will use the text 'Grace and Family' by Mary Hoffman to support our work on family and diversity.</p>	<p>As Scientists we will... Learn about Fossilisation and how this happens. We will learn about different Forces and how they are measured. We will learn about Friction and investigate the effects of friction that different materials cause.</p>
<p>As Mathematicians we will... continually revisit addition, subtraction, multiplication and division. We will practice our times tables daily using 'Times Tables Rock Stars' to support our learning. We will be learning about Fractions of amounts, how to tell and read time and develop further knowledge about the properties of shape.</p>	<p>We will celebrate our learning by ... Sharing our achievements and successes on class dojo, presenting and displaying our work in the environment.</p>
<p>As Artists and Designers, we will... Look at seascape art by famous artists such as Monet, Homer and Church and beach scenes by Degas. We will engage in seascape art, using watercolour as a medium and building 'layers' of detail.</p>
